**EMPLOYEE OF THE QUARTER**

**BUILDING CARE TEAM**

Pearl Bryan, Ken Cusson, Bill Lampila, Dave Teeter, Dan Keith and Donald Snyder and many other of our building care staff are very familiar with floods… the call comes in and they take actions.

Teamwork is the combined action of a group, especially when effective and efficient.

On this particular weekend, Mother’s day weekend to be exact, this group of winners demonstrated teamwork. A call came in at 6am about a huge flood in Myron Taylor Hall – on this day, The Law School was expecting about 1600 people to attend their graduation ceremonies!

Brenda received a call informing her of the flood and she immediately started making calls. The Lead Custodian, Don, came right in, and by the time Brenda arrived, she realized they needed more help. The elevators were down and all their equipment was in the basement. She called for the carpet truck; Bill and Ken were there within minutes.

Brenda called Dan who was already on campus and Dave drove in from home to help. She also reached out to her other Lead Custodian Pearl and she got there right away.

With everyone pulling together as a team, the Law School graduation took place without anyone knowing of the disaster they faced just hours before.

Congratulations to, Pearl, Ken, Bill, Dave, Dan and Don!
