EMPLOYEE OF THE QUARTER

Photo: Rick Burgess, Jean Curran, Marie Balander, and Jessica Schill-

January 2019
Jean and Marie were assigned to a Key Inventory Compliance Initiative project and within six months had achieved the objectives of this project (which was an aggressive time frame).

- Without their dedicated time to this project it would have taken years to accomplish
- Together they showcased Excellence and Teamwork
- Marie was pulled from her area/job and embraced this challenge
- Jean had to make changes to her schedule and workload while maintaining her other duties to dedicate time to this project

**Congratulations, Jean and Marie!**
